FAQ:

== What sizes do the icons come in? ==

They come in resizable .eps and .psd formats.

If you are not familiar with Illustrator and Photoshop, just use png format at 128px, 256px,

512px resolutions which is also included into this release.

== How can I change color of vector shapes? ==

If you do not have experience working with PS we recommend to read about vector shapes editing:
